

Appendix A - Table of proposed station works

Local Authority		Station Name	Scheme Drawing Reference(s)	Proposal
Buckinghamshire County Council	AVDC	Winslow Station	133735_2B-EWR-OXD-092020-DR-T-003016	A new station at Winslow west of the A413 will comprise two side platforms connected to a station building via a footbridge with steps and lifts, a decked car park and cycle parking. The station forecourt will have a transport interchange. Change since Round Two Consultation Reduced footprint of station building (will accommodate one retail unit) and reduced platform length.
	AVDC	Quainton Road Station	133735_2E-EWR-MCJ-028500-DR-T-002012	Boundary fence alterations
	AVDC	Aylesbury Vale Parkway Station	133735_2E-EWR-MCJ-034900-DR-T-007021	Change since Round Two Consultation At Aylesbury Vale Parkway Station, a new platform is proposed which will abut the existing bay platform forming an island. Western platform, footbridge, stairs and lifts completely removed from scope
Milton Keynes Council		Woburn Sands Station	133735_2D-EWR-BBM-XXXXXX-DR-T-004008	Platform extensions will be installed at the west end of the existing platforms at Woburn Sands Station. Change since Round Two Consultation Platform lengths increased by up to 5m to enable greater flexibility for stopping longer passenger trains
		Bletchley Station	133735_2C-EWR-BBM-079540-DR-T-004003	At Bletchley Station there will be two side platforms at the north end and at the same level as Bletchley Flyover, connected via a new underpass. A link bridge will connect these platforms to the east end of the existing station cross platform concourse. Change since Round Two Consultation Platform lengths reduced at the southern end.
Central Bedfordshire Council		Ridgmont Station	133735_2D-EWR-BBM-XXXXXX-DR-T-005013 133735_2D-EWR-BBM-XXXXXX-DR-T-005014	Platform extensions will be installed at the west end of the existing platforms at Ridgmont Station. Change since Round Two Consultation Platform lengths increased by up to 5m to enable greater flexibility for stopping longer passenger trains
