

Huddersfield to Westtown (Dewsbury)

Join us for our second round of events

We wrote to you last autumn to invite you to share your views on our proposals to upgrade the Transpennine route between Huddersfield and Westtown (Dewsbury).

Thank you to everybody who took the time to feedback; your comments have been vital in further developing our designs. We now want to share our updated proposals with you in more detail so you can see how your feedback has made a difference.

We are holding eight drop-in events in your area. Come and meet our specialists who will be on hand to show you our plans and answer any questions you may have.

Next steps

This is your final chance to view our proposals before we submit our Transport and Works Act Order application at the end of the year. This is a piece of legislation approved by the Secretary of State for Transport, granting permission to carry out the work.
